\*\*\*Note Includes clothing, entertainment and miscellaneous personal items.

Expenses for the three to four-month summer vacation period (June to September) must be added to the estimated college costs for the academic year to estimate realistic total cost over a twelve-month period. As a general rule, students could expect to have available \$3,000 to \$3,500 to meet their summer expenses.

There is a foreign check handling fee, of \$10.00 per check plus any additional bank fees.
