

Admissions deadline to attend SUNY Orange this spring semester
as a degree-seeking (matriculated) student:

Wednesday, January 6, 2010

In order to attend as a degree-seeking student, you must complete the following by January 6, 2010:

- **Submit application for admission and \$30 application fee (\$20 for readmitted students)**
 - Available online at www.sunyorange.edu/admissions/apply
- **Submit proof of high school graduation** - The following are ways a student can prove high school graduation:
 - Have your high school send or fax an official high school transcript with proof of graduation. The Admissions Office fax number is 845-342-8662.
 - Bring in your original GED for the Admissions Office to make a copy.
 - If you already have an Associates or Bachelors Degree, have your college send an official college transcript.
 - Bring in your original high school diploma. ***Please be aware that this will serve as temporary proof of graduation only and that an official high school transcript must still be received by February 1.***
 - If you are unable to show proof of high school graduation prior to the admissions deadline of January 6, you must enter the College as part of our 24 credit hour program and attend an Admissions Workshop (visit the website at www.sunyorange.edu/admissions/events for workshop dates and locations).
- **Take College Placement Assessment** - All students who plan to enroll as degree-seeking students are required to take the placement assessment. This assessment gauges college-level skills in reading, writing and mathematics and assists the College in placing students in courses at the appropriate level. There is a \$25 fee which must be paid prior to taking the assessment (cash not accepted at Newburgh Campus). Transfer students may submit a waiver form (with an official or unofficial college transcript) if they have successfully completed a college-level English and/or math course prior to registering. For information regarding assessment times and locations, visit the website at www.sunyorange.edu/counseling/assessment.shtml or contact the Advising and Counseling Office at 845-341-4070.
