Guidelines for Advanced Placement for Licensed Practical Nurses

- Transfer from a Practical Nursing Program through the SUNY Orange Articulation Agreement with OU BOCES and Ulster BOCES School of Practical Nursing.

Graduates of these programs may transfer into NUR 102 – Nursing 2: Fundamentals based on the following criteria:
- Meet the college and nursing program admission criteria
- Attainment of an overall GPA of 85% in the LPN program
- Graduation within the previous five years
- Have a letter of recommendation from an OU BOCES or Ulster BOCES practical nursing program instructor
- Pass the NYS Licensed Practical Nurse Examination
- Successful completion of Nursing Bridge Course 1 (N3029)

Advanced Standing into the Second Semester through the Excelsior College Examination

Licensed Practical Nurses who do not meet the transfer requirements from an articulation agreement, may apply for admission to NUR 102 – Nursing 2: Fundamentals. The application will be reviewed when the individual has met the college and nursing program admission criteria and the following has been achieved:
- Successful completion of an NLN accredited and/or state registered LPN program
- A minimum score of B on the Excelsior College Examination in Fundamentals of Nursing. (score may not be more than three years old).
- Successful completion of Nursing Bridge Course 1 (N3029)

Advanced Standing into the Fourth Semester

Licensed Practical Nurses, who have successfully completed NUR 102 – Nursing 2: Fundamentals, may be considered for advanced standing into NUR 202 – Nursing 4: Physical and Mental Illness after completing the following requirements:
- PN transcript review demonstrates a minimum of 70 clinical hours in Maternal and Child Nursing
- A Minimum Score of B on the Excelsior College Examination in Maternal and Child Nursing (bacalaureate) (Official transcripts must be submitted to the Records and Registration Office)

Credit for Nursing 101 will be granted after successful completion of Nursing 102 with a grade of C (2.0) or higher. Credit for Nursing 201 will be granted after successful completion of Nursing 202 and 203 with a grade of C (2.0) or higher. Minimum passing grade in all core nursing courses is 75. Nursing 2 and 4 are offered in the Spring semesters on the Middletown campus and in the fall on the Newburgh campus. The offering of these courses out of sequence is never guaranteed & at the discretion of the nursing department based on enrollment & clinical placement availability.
Nursing

Career Opportunities

- hospitals
- long-term care settings
- community agencies
- health maintenance organizations
- government
- physicians’ offices
- industry
- military
- education
- nursing specialties

Progression Through The Program

A minimum grade of 75% (C) in each nursing course is required for progress in and graduation in nursing. A minimum grade of C is required in all laboratory science courses for progression in the nursing program. Nursing students must complete Freshman English 1 & 2 prior to enrollment in Nursing 3. Required nursing courses must be taken in the prescribed sequence. A student may repeat only one required nursing course one time. Once students are enrolled in the core nursing courses, they are to complete the program in three years. Students interested in admission to the evening nursing program are advised that this is a part-time program limited to 11.5 credits each semester. In order to meet this requirement; all non-clinical courses should be completed prior to starting this part-time program. The day program is two academic years in length if pursued on a full time basis. Because of the intense nature of the Nursing Program, the student may find that part-time study is more appropriate.

Nursing Readmission

Students who withdraw from, fail or receive a grade below “C” in any one of the required nursing courses may apply for readmission to the Nursing program. A student is only allowed to do this one time. Additionally the program is to be completed within three years from the start of the first nursing course. A student seeking readmission must meet the program requirements in effect at the date of re-entry. Readmission is neither guaranteed nor is it an automatic process. Students requesting to be considered for readmission to Nursing 101 are to do so through the admissions office of the college. Students requesting to be considered for readmission to Nursing 102, 201, 202 or 203 must inform the nursing department chairperson in writing. Written requests must be submitted by May 15th for the Fall semester and September 15th for the Spring semester. Prior to readmission, students are required to successfully complete a special bridge course. To be considered for re-admission a student must have a minimum cumulative GPA of 2.75.

Licensure

Graduates of the nursing program are eligible to apply for the National Council Licensing Examination for Registered Nurses (NCLEX). Completion of the Nursing program does not assure admittance to attempt the RN licensure exam. When submitting an application for licensure and first registration, the applicant is required to report any history of a felony or misdemeanor. The state boards of nursing will review all applicant information submitted and determine if the applicant is eligible for licensure.

Transfer Opportunities

Many of our graduates transfer to upper-level colleges and universities to pursue advanced degrees in the nursing profession. Successful transfer depends on the courses taken and the student’s grade point average. SUNY Orange has special relationships with a number of colleges and universities.

- Adelphi University
- SUNY Binghamton
- Mount St. Mary College
- Pace University
- Russell Sage College
- Mercy College
