

SUNY Orange believes that every gift to the Defining Moments Campaign should be celebrated and recognized. Unless a donor wishes to remain anonymous, all gifts to the Campaign will be listed in a variety of publications and on the College's website.

If you are contemplating making a commitment of \$2,500 or more, you may wish to review the enclosed sampling of naming opportunities. They are available to honor the donor, a loved one, friend or colleague. If you have an idea that is not on the list, we always welcome a great suggestion.
