Assessment QUOTES

“If you don’t know where you are headed, you’ll probably end up someplace else.”
-Douglas J. Eder, Ph.D

“Assessment of student learning demonstrates that the institution’s students have knowledge, skills, and competencies consistent with institutional and program goals and that graduates meet appropriate higher education goals.”

“The systematic assessment of student learning outcomes is essential to monitoring quality and providing the information that leads to improvement.”
-Middle States Standard XIV

“The most important thing about assessment is that it promotes dialogue among faculty.”
-Mary Senter

"If we always do what we've always done, we will get what we've always got."
-Adam Urbanski

"We plan. We develop. We deliver. We assess and evaluate the results of the assessment. We revise, deliver the revised material, and assess and evaluate again. Perfection is always just out of reach; but continually striving for perfection contributes to keeping both our instruction fresh and our interest in teaching piqued."
-E.S. Grassian

“The important question is not how assessment is defined but whether assessment information is used…
