

SUNY Orange Policy Manual

Policy Number	Policy Title
BP2.23	Special Interest Groups

It is the policy of the College to disapprove requests received from special interest groups, or organizations not directly related to College-sanctioned activities, to sell products, distribute information, maintain a booth or table, proselytize on campus, conduct activities, post information, or release lists of student names, addresses or telephone numbers to external organizations. Any request to post information on College bulletin boards by non-College recognized or affiliated groups must receive prior approval from the Vice President for Student Services. This policy shall be enforced in accordance with applicable law and the College's anti-discrimination policies.

The Board of Trustees directs the President to develop such procedures as to fairly implement this policy.
