**College Cell Phone Usage Policy**

The active use of any device classified as a “telecommunications device”, including but not limited to pagers, cellular phones, PDA's and messaging devices, is **prohibited** in classrooms, as well as in other areas where a classroom atmosphere is assumed (e.g. libraries, labs, theaters, administrative offices), except by special permission of the instructor. Passive use, including silent and vibrate mode, may be used, provided it does not compromise the educational process or promote an unethical situation. Instructors reserve the right to regulate the monitoring of such devices as necessary.
