

# THE CAMPUS CLIPBOARD

Spring Semester 2010

EVENTS

Number 5

Tuesday, 3-9-10

**FAMILY FEUD GAMESHOW**

11 a.m.

**Shepard Student Center, Cafeteria**

The closest thing to being on television! Every person who attends PLAYS the entire game with Simplified Entertainment's exclusive game show system. Yes! They bring two 5 person lighted podiums, huge "Survey Board", backdrops and an energetic host that makes Richard Dawson\* jealous! Sure you can play this game at home, but when you get on stage ~ All Bets Are Off! This is a very funny game show. It is amazing what funny things people say when they are asked the simplest of questions. Huge video screen, lighted podiums, professional host and the best part is that every person who attends plays throughout the entire game. It's the only way to play. Survey says "Yes this game show is for you"

Thursday, 3-16-10

**PHOTO DRY ERASE BOARDS**

10 a.m. - 2 p.m.

**Shepard Student Center, Cafeteria**

It's New, It's Innovative, It's original and It's FUN! Get a photo taken and in minutes, the photo becomes the background for a dry erase board. It even comes with a dry erase marker.

The Campus Clipboard is published each Friday for the coming week. Please send all information to the Student Activities Office by 12 noon on Tuesday.
