Governance Report for 04-15-15 BOT Meeting
(summarized by Helen Ullrich on behalf of Michelle Tubbs)

I.) The Professional Recognition and Awards Committee is currently seeking and accepting nominations for the 2016 Excellence Awards for: Teaching, Adjunct Teaching, Classified Service (CSEA) and Librarianship. The committee has adopted a new timeline: Nominations are due May 1, applications are due August 26 (giving applicants over the summer to work on their application portfolios), committee reviews applications in the Fall 2015 and award notification by the President is in the Spring 2016.

II.) At the request of President Richards, the Campus Safety & Security Committee has completed an assessment of the newly adopted campus tobacco use policy. The Executive Committee of Governance has sent the committee’s assessment report to President Richards who will be sharing it with the Board at your May 20th meeting.

III.) As a result of recommendations earlier in the year from the Campus Safety & Security Committee, East Conkling has been changed from a “No Parking” zone to a “No Stopping/No Standing” zone. This request was made and change was necessary since this street had become a drop off & pick-up lane for students with cars routinely parked on the side of the road. This created daily dangerous traffic situations for both our students and faculty & staff. The college now needs to advocate for the City of Middletown to police and enforce the new traffic laws on this street.

IV.) The Executive Committee on Governance has sent a recommendation to President Richards and VPAA Stacey Moegenburg on behalf of the Assessment Advisory Committee with recommendations regarding program review.

V.) A final draft of a revised Constitution & By-Laws is currently being circulated and reviewed by the Assembly. We anticipate having final discussion and to vote on the revised document at our upcoming 4/20 Assembly meeting.

VI.) The Executive Committee of Governance (EC) has begun its 2nd cycle of committee assessment. EC reflected on the assessment pilot that it administered to 5 committees last spring and spent this past fall making a number of revisions to both the tool and the process. A revised self-assessment survey was administered to all members of 5 different committees in March and EC is in the process of reviewing the survey responses for each committee. A summary of EC’s review and a compilation of the committee’s survey responses will be sent to each committee at the start of the Fall semester. The purpose of this assessment it to help EC and the committees identify what they are doing well and what may need improvement.

VII.) SUNY Orange’s Faculty Council of Community Colleges Alternate Delegate Diane Bliss and Governance President Michelle Tubbs attended the FCCC’s Spring Plenary hosted by Finger Lakes Community College April 9-11 in Canandaigua, NY. Diane will provide a plenary report at our Assembly meeting next Monday 4/20.
